The image shows a screenshot of the ETS5 software interface. At the top, there is a logo for 'INSIDE 4 ETS' and a 'Powered by doMOU' logo. The main window displays a graphical representation of a building floor plan with various rooms and appliances. Several callout boxes point to specific features:

- INSIDE 4 ETS**: A logo at the top center.
- Powered by doMOU**: A logo at the top right.
- Graphical (re)zoning**: A callout pointing to the colored zones on the floor plan.
- Graphical device template**: A callout pointing to the icons representing different devices.
- Collection of parameters set in profile**: A callout pointing to the network configuration area.
- Smart grouping algorithm and Automatic parameter set**: A callout pointing to the network connections.
- Split your device in detailed functions**: A callout pointing to the detailed configuration options for a device.
- Work with appliances**: A callout pointing to the library of device templates.
